

G. U. STUDENTS PLANNING FOR ACTIVITY IN POLITICS

Republican Speakers to Tour Maryland and Virginia—Democrats Also Getting Busy.

An automobile tour by Georgetown University students in the interests of Charles E. Hughes and the republican ticket is to start Tuesday. This automobile cavalcade of spellbinders is to invade Maryland and Virginia, under the leadership of Robert M. McQuahey, who participated in the Maine campaign, speaking for the republican candidates.

In addition to this the rival republican and democratic clubs of Georgetown University are to settle the election as far as they can at this time by taking a straw vote of the students in the university this week. This was proposed by the republican club, which has been claiming that Hughes could carry the university by a big majority.

Down to Politics in Earnest.

Armed with campaign literature, both the republican and democratic clubs of the university, at separate meetings last night in the Law School building, got down to politics in real earnest.

At the democratic meeting a telegram from President Wilson was read in which he applauded the efforts of the students, and on a rising vote it was decided to send a letter to the president thanking him for his interest. The club also decided to hold three meetings a week until election day and a big rally also to be held, the date to be decided upon by the officers of the club.

Plans of the Republicans.

The republicans decided to send letters to the county chairmen in the several places where the students plan to speak, advising them of the date the speakers expect to be in a certain town and asking the co-operation of the chairmen and through them the republicans in the community, toward the arrangements.

The speakers who will accompany Robert M. McQuahey in his Maryland tour are John J. O'Day, Jr., Norman B. Andrews, John B. Harvey, Charles E. Smith, John M. Derrin and Howard Houghlin.

oy Snatches Woman's Pocketbook.

Mrs. Frank A. Simmons of 1213 N. Street told the police last night a negro boy snatched her pocketbook from her and while on O street between 9th and 10th streets. The pocketbook contained \$3 and some papers. Mrs. Simmons said the boy was about sixteen and was dark and clothes and a Mrs. Simmons said she could identify him.

MR. MOREHOUSE TO COACH G. W. U. DEBATING TEAM

Succeeds Prof. Otto T. Schreiber, Who Is Absent on a Year's Furlough.

PGAD B. MOREHOUSE.

PGAD B. Morehouse has been appointed chairman of the George Washington University debating council and coach of the debating team. It was announced yesterday. The appointment was made, on the recommendation of the faculty committee on student activities, by the board of trustees.

Mr. Morehouse succeeds Prof. Otto T. Schreiber, who is absent from the university on a year's furlough. Negotiations are under way for a debate with the State University of North Carolina, for the latter part of this year, on the proposition "That Congress should pass a law requiring arbitration of controversies arising between employers and employees of railroads engaged in interstate commerce." The debate is to be held here. Competition for places on the team will begin at an early date.

CHARTER FOR PEACE LEAGUE.

Prof. Taft, Dr. Hibben and H. J. Howland Trustees Named.

TRENTON, N. J., October 14.—A New Jersey charter was issued today to the League to Enforce Peace, which was organized in Independence Hall, Philadelphia, in June, 1915, and of which former President W. H. Taft is a trustee. John Grier Hibben, president of Princeton University, and Harold J. Howland of Montclair, N. J., are the other trustees. An alliance of nations to enforce the submission of international disputes to a world court for settlement and to avoid war are given as the objects of the league.
